Mr. WU. Mr. Speaker, I would like to state for the record my thanks to the Oregon Science Teachers Association for its participation in National Chemistry Week.

Just last week, the Oregon Science Teachers Association focused one of the sessions at its annual convention on National Chemistry Week. The session provided Oregon science teachers with the opportunity to learn how to incorporate National Chemistry Week into their classroom, providing them with projects and lab ideas.

I thank every Oregon science teacher for their participation. Oregon science teachers are molding the next generation of scientists.

SPEECH OF

**HON. BARBARA LEE**

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 18, 2005*

Ms. LEE. Mr. Speaker, the Elizabeth Glaser Pediatric AIDS Foundation is a lead organization in providing pediatric care and treatment to children with HIV. In mid-September, the Foundation held a briefing on this important issue, and brought to the halls of Congress a brave HIV-positive 12-year-old girl from Uganda named Josephine Nabukenya, who presented testimony and a poem on HIV that was extremely moving and brought the audience to a stand-still.

This young girl has lost siblings to HIV and almost lost her mother as well. Thanks to appropriate care and lifesaving medications, she and her family are healthy and remain together. Josephine not only represents a story of hope that comes with the availability of care and treatment, but as the president of a group called the Young Positive Generation, she is spreading hope and knowledge to her peers and their families. I would like to insert into the RECORD her testimony.

JOSEPHINE NABUKENYA, KAMPALA, UGANDA  
CONGRESSIONAL BRIEFING ON PEDIATRIC  
TREATMENT, MONDAY, SEPTEMBER 12, 2005

My name is Josephine Nabukenya, I am 12 years old and I go to school at Kasubi Church of Uganda. I was born HIV positive and got the disease from my mother, who also suffers from HIV/AIDS. Luckily, my HIV does not limit what I do very much, and I still go to school. I am not on any medicines right now, but I do go for regular examinations where my HIV is monitored.

I found out that I was HIV positive when my mother was getting sick regularly. My mother told me to go and arrange her bedroom, and when I did I saw her diary under the pillowcase. I read it and it said that she was HIV positive, along with my father, me and my little sister. I kept quiet and she also kept quiet, but later she disclosed this to me and I told her that I had known when I read

her diary. She disclosed to my teacher and headmaster and I felt bad when I decided to write my poem. My mother is now on medicines that help her HIV and she is better able to take care of us children.

I am part of a child support group called, the Young Positive Generation, and I am the Chairperson. The Young Positive Generation group brings children with HIV/AIDS together. We talk about HIV/AIDS, we sing, dance, play and we give testimonies. This has helped me to be firm and not to be shy in public because I knew that I am not the only one in the school with HIV. Now I am strong, I can play and I can do whatever thing comes.

HIV HIV HIV

HIV is a dangerous virus

HIV causes AIDS

AIDS is a bad disease

Oh what a disease it is

Many children lost their parents because of AIDS

Many parents lost their children because of AIDS

Our beloved ones are dead because of AIDS

Oh what a cumbersome disease it is

Ugandans, what should we do to fight AIDS? We should fight AIDS in the following ways:

1. By use of condoms
2. Children should abstain from sex before marriage
3. Blood must be tested for HIV
4. Blood must be tested before being given to sick people who lack blood
5. Pregnant mothers should be given drugs in order to prevent mother to child transmission of HIV

Our government, president, government of USA, President Bush, doctors, nurses, teachers, parents and guardians, help us we are dying.

We should KICK

We should KICK

We should KICK AIDS OUT OF THE WORLD

**HON. MICHAEL C. BURGESS**

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 25, 2005*

Mr. BURGESS. Mr. Speaker, I rise today to salute those individuals and organizations that opened their hearts and dedicated both financial and emotional support to the evacuees of Hurricane Katrina and Hurricane Rita. All of the States along the gulf coast have endured terrible hardships during this hurricane season, and I know that the generosity of north Texans played a vital role in bringing some peace into their lives.

Today, I want to specifically thank one man, his store and his donation. William Schultz, from Circle C Construction, donated \$1,000 in clothing and videos during Hurricane Katrina. Circle C Construction is located in Fort Worth. They provide services such as installation, building and contracting, and utility contracting.

I stand here today to sincerely thank William Schultz for his donation. It is people like him that I am proud to call a fellow Texan. Through his contribution, he not only stands as a devoted and giving American citizen, but he serves as an inspiration to others.

HONORING UNION VALE MIDDLE  
SCHOOL

**HON. JOHN E. SWEENEY**

OF NEW YORK

IN THE HOUSE OF REPRESENTATIVES

*Tuesday, October 25, 2005*

Mr. SWEENEY. Mr. Speaker, I would like to take this time to recognize the marvelous response of the students of Union Vale Middle School in Lagrangeville, New York to the victims of Hurricane Katrina.

Hurricane Katrina caused such extensive devastation that has had a profound effect on the entire country. When Hurricane Katrina made landfall on August 29, 2005, as a Category 4 storm, millions of American lives were changed forever. Americans in the Gulf Coast lost their families, homes, business, schools and communities. Intense rains, wind, flooding and tornadoes caused by Hurricane Katrina resulted in immense devastation of the Gulf Coast states. The residents of the affected areas are trying to find a way to rebuild their lives, despite returning to a lack of water, food and shelter.

Americans across the nation felt the effects of Hurricane Katrina. To this day, Americans continue to donate money, time and effort to help rebuild this devastated part of the country. States across the country have taken in evacuees and are helping them find shelter and rebuild their lives. Colleges and universities have welcomed students displaced by Katrina to their campuses. Americans have opened their hearts to their fellow citizens.

This great relief effort can be seen in the community of students, faculty and parents from Union Vale Middle School in Lagrangeville, New York. Upon learning of the terrible devastation caused by Katrina, Union Vale Middle School set to work raising funds to support the victims. The middle school established a "Katrina Relief Week", which included a "Walk to Higher Ground" walk-a-thon, bake sale, silent auction with prizes donated by faculty, staff and local businesses, along with a Faculty Benefit Showcase. In all, the community of Union Vale Middle School raised over \$26,000. This is a marvelous accomplishment and a heartfelt donation to the victims of Hurricane Katrina.

I would like to recognize the Union Vale Middle School community for their remarkable efforts for raising money for the areas devastated by Hurricane Katrina. The students, faculty and staff dedicated a great amount of time and money to this cause, demonstrating their concern for and compassion towards their fellow citizens. Union Vale Middle School is an exemplary community whose invaluable dedication to helping our nation deserves our recognition.
